A RELAXING DAY IN BEAUTIFUL SETTINGS.

Relax and enjoy the freedom of the sea. The day that suits everyone!

Join us for an exciting cruise in a relaxed pace and get away from the crowd. Aboard MV Champagne, you have time to socialize and relax together between snorkeling and swimming. With us you can leave all worries behind and lean back for a day filled with experiences and memories. We experience the dramatic mountain scenery as we cruise between the islands off the coast of Phuket. We enjoy the views and watch the hidden beaches that can only be discovered from the sea. The cruise is the perfect tour where we mix calm and relaxation aboard with snorkelling and swimming from the boat.

A lovely day in the right atmosphere on a cozy boat where sun, swimming, snorkelling and freshly baked pancakes are on the menu.
